

COVENANTS AND RESTRICTIONS

ON AND FOR

HUNTERS GLEN ESTATES VII ADDITION

THE STATE OF TEXAS
 COUNTY OF COLLIN

X
 X
 X

KNOW ALL MEN BY THESE PRESENTS

That Chisholm H G Corporation, the present owner (hereinafter "Developer") owning 100% of the lots and real estate comprising the Hunters Glen Estates VII Addition, an addition to the City of Plano, according to the plat thereof filed of record on January 27, 1983, in Cabinet C, page 511 of the map and plat records of Collin County, Texas, does hereby adopt these covenants and restrictions and does hereby declare that all of the lots in Blocks 2, 3, 4, 5, 6, 7, and 8 situated in Hunters Glen Estates VII Addition shall have and be subject to the following Covenants and Restrictions which shall run with the land and be binding upon all owners or purchasers of Lots within Hunters Glen Estates VII Addition, their heirs, successors, executors, administrators and assigns.

1. Residential Lots. All lots in the Hunters Glen Estates VII Addition shall be known and described as residential lots. No building or structure shall be erected, altered, placed or permitted to remain on any residential lot other than a single-family dwelling and its customary and usual accessory structures (unless prohibited or restricted herein). Prohibited structures, uses and operations shall include, but not be limited to duplex houses, apartment houses, commercial and professional uses (except for the initial construction and sale of single-family dwellings by builders in which event the builder shall not maintain an office in said dwelling or use a dwelling as a model home), drilling for oil, gas or other minerals, quarrying or mining, placing or maintaining on the premises any tanks, wells, shafts, mineral excavations, derricks, or structures of any kind incident to any such oil, gas or other mineral operation.

2. Structural Restrictions. Unless approved by the Architectural Committee, no structure shall be erected on said property of materials other than brick, brick veneer, stone or stone veneer, stucco or stucco veneer unless the above named material shall constitute at least 75% of the total outside area. Openings and glass areas shall be considered to be of the material which is on either side of it. The total floor area of the main structure exclusive of porches, garages, patios, terraces and breezeways shall not be less than 2400 square feet. In the case of a structure with one and one-half stories or two stories in height, not less than 2000 square feet will be allowed on the ground floor of the structure (exclusive of porches, garages, patios, terraces and breezeways). The width of the front of the main structure shall be in harmony with other dwellings in the addition.

No dwelling or residence or any other structure shall be designed, planned or constructed of other than one story, one and one-half stories, or two stories in height, except with the express permission of the Architectural Committee hereinafter designated.

3. Architectural Committee. No building shall be erected, placed, or altered on any building plot in this sub-

division until two complete sets of building plans and specifications and two plot plans of the location showing drainage for lot and location of such building shall have been delivered to the Architectural Committee designated as herein-after provided, and until such building plans, specifications and plot plan shall have been approved in writing by the Architectural Committee as being in conformity and harmony with the external design and location of the existing structures of the subdivision and in compliance with the restrictions herein contained. One copy of such plans, specifications and plot plan shall be retained by the Architectural Committee and the second copy shall be redelivered to the owner of the lot with the approval of the Architectural Committee appropriately endorsed thereon. The undersigned Developer shall have authority to appoint the Architectural Committee, to remove without cause any person serving on the Architectural Committee, and to fill any vacancies in the Architectural Committee until at least 90% of the residential lots within the subdivision shall have completed residences constructed thereon, occupied by the owners thereof, whereupon the owners of a majority of the lots within the subdivision shall elect the Architectural Committee. The Architectural Committee shall consist of not less than three nor more than five members. The Architectural Committee is authorized to delegate to one or more representatives, the authority to perform the duties of the Architectural Committee as set forth herein. In the event the Architectural Committee, or its designated representative fails to approve or disapprove any building plans, specifications and plot plans within thirty days after the same are submitted to it, and if all terms contained in these restrictions have been complied with, the Architectural Committee shall be deemed to have approved such plans within thirty days after the same are submitted to it. The Architectural Committee shall in no event be liable in damages for any action or failure or refusal to act pursuant to the provisions hereof. The Architectural Committee shall receive no fees or compensation for its services.

4. Temporary Structures. Except as expressly approved by the Architectural Committee, no temporary structure of any kind shall be erected or placed on any of said property and in no instance shall more than one dwelling or residence and the necessary accessory structures to accommodate the owner or occupant thereof be erected or placed on any one lot as shown on the above described plat. Any garage, servant's house, or other improvements erected more than one hundred twenty days prior to the completion of the main dwelling or residence shall be considered a temporary structure within the meaning of this paragraph and is hereby prohibited.

5. Setbacks. All dwellings or residences erected or placed on any portion of the said property shall face the road or street upon which the lot faces, as the same is platted on the above described plat, or as may be otherwise prescribed in the deed from the undersigned conveying the same, and no portion of any structure shall be nearer to the road or street property line of said lot than as designated on said plat, and no structure of any kind (either dwelling or accessory structures) shall be nearer than 10% of the width of the lot or 10 feet, whichever is less, to any inside line of any lot. In the event provision is made in any deed from the undersigned conveying any lot which provides for a building line with reference to the side of any lot, such provision shall prevail and that herein prescribed shall have no effect.

6. Offensive Activities. No noxious or offensive activity of any kind whatsoever shall be carried on upon said property, nor shall there be permitted any act thereon that may be or become any annoyance or nuisance to the owners or occupants of portions of said property.

Any boat, boat trailer, trailer, mobile home, campmobile, camper or any vehicle other than a conventional automobile shall if brought within Hunters Glen Estates VII be stored, placed or parked within the garage of the appropriate lot owner, unless approved by the Architectural Committee.

7. Fences. No fence, wall or hedge shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line indicated on the recorded plat of Hunters Glen Estates VII Addition. No fence, wall or hedge shall exceed six (6) feet in height unless specifically required otherwise by the City of Plano or expressly approved by the Architectural Committee. No chain link or other metal fences are allowed unless expressly approved by the Architectural Committee.

The masonry screening walls constructed by Developer in accordance with the subdivision ordinance of the City of Plano shall not be in violation of these covenants.

8. Garages and Servants Quarters. Any garages, servant's quarters, storage rooms, or carports erected or placed on any portion of said property must be attached to the main structure. Garages must open to rear of lot unless otherwise expressly permitted by the approval of Architectural Committee. Garages shall provide space for a minimum of two conventional automobiles. Where no alley is provided, garage entry must be approved by Architectural Committee. Porte cochere must also have approval of Architectural Committee.

9. Pets. No animals, livestock or poultry of any kind shall be raised, bred or kept on any residential lot, except that dogs, cats or other household pets may be kept, provided that they are not kept, bred or maintained for commercial purposes.

10. Easements. All easements shown on the above described plat for the purpose of installation of and maintenance of public utilities and all easements hereafter granted for such purposes by the undersigned shall be strictly observed and shall not be in any manner obstructed so as to hinder any such easements.

11. Signs. No signs or flags for advertising purposes shall be displayed to the public view, by home owners or builders, excepting only one for sale and one open signs of customary dimensions, (3' x 4') maximum, advertising said property, or portions thereof, for sale.

12. Roofs. All buildings constructed on said property must have a roof of wood shingles, tile approved by the Architectural Committee, or slate, unless otherwise approved by the Architectural Committee. The roof pitch of any structure shall be 4' x 12' minimum and 12' x 12' maximum. Any deviation of roof pitch must be approved by the Architectural Committee.

13. Garbage - Weeds. Unless otherwise expressly permitted by the Architectural Committee garbage containers shall be placed so as not to be visible from the street or any residential lot. Owners of lots, whether built on or not must keep lot free of weeds and debris. If at any time an owner of any residential lot shall fail to control weeds, unsightly growth and debris that is on the lot, the Developer herein or its assigns, or any owner with the addition shall have the right to go on said lot, mow and clean and bill the owner of record for charges. Such assessments, together with such interest thereon and costs of collection thereon, shall be a charge on the land and shall be a continuing lien upon each lot against

which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof, shall also be the continuing personal obligation of the person who was the owner of such lot at the time when the assessment occurred. Each and every owner of any lot within this subdivision, by the acceptance of a deed or other conveyance of such lot shall be deemed to covenant and agree to pay such assessments. The lien securing any such assessment shall be subordinate and inferior to the lien of any mortgage and any renewals or extensions thereof existing prior to the assessment date.

14. Antennas and Aerials. All television antennas and other antennas and aerials shall be located inside the attic or under roof, unless otherwise expressly permitted by the Architectural Committee.

15. Landscaping & Drainage. Landscaping of a lot must be completed within one hundred twenty days after the date on which the main structure is 95% complete. No dams shall be constructed nor any other alteration or change shall be made in the course or flow of any creek crossing or abutting any lot, without the approval of the Architectural Committee. All lots shall be graded so that surface water will flow to street or alley.

16. Building Permits. The Building Inspector of the City of Plano, Texas, or other municipal authority, is hereby authorized and empowered to refuse or revoke, as the case may be, any and all permits for construction of improvements of any kind or character to be erected or placed on any of the hereinabove described property, if such improvements do not conform to and comply with the restrictions set out herein.

17. Waiver by Architectural Committee. The Architectural Committee may, in its discretion, approve construction of a structure lacking not more than 10% of the minimum square footage required by paragraph 2 above, and may waive such other variations from these restrictions as said Architectural Committee deems not to be inconsistent with the general tenor and purpose of these restrictions.

18. Enforcements. Enforcement of these covenants and restrictions shall be by a proceeding initiated by a person or persons owning any residential lot or by any member of the Architectural Committee, or by the City against any person or persons violating or attempting to violate any covenant or restriction herein contained, either to restrain violation or to recover damages for violation, or both. The Architectural Committee, and each of its appointed members, shall have an election and right, but not an obligation or duty, to enforce these covenants and restrictions by a proceeding or proceedings at law or in equity.

19. Duration. The restrictions hereinabove set forth, each of which shall be deemed to be a condition subsequent, shall run with the land and shall be binding upon the undersigned and all persons claiming under the undersigned, and their respective successors, heirs, personal representatives, and assigns, until January 31, 1995, and said restrictions shall be automatically extended thereafter for successive ten year periods unless a three-fourths majority, to be determined on a per lot basis, of the then owners of the hereinabove described property shall in writing change or modify the same in whole or in part by action taken during the year 1993 or during the last year of any succeeding ten year renewal period. The foregoing restrictions shall be applicable only to the above described property and not to other property

which may be owned by the undersigned or by the other owners, from time to time, of portions of the above described property.

20. Service Facilities. All clothes lines or service facilities must be enclosed within walls, fences or landscaping (which, however, must be approved as provided in paragraph 7 hereof) so as not to be visible from outside the lot.

21. Sidewalks. Construction of a new single-family dwelling on any residential lot shall include the placement of a four (4) foot wide concrete sidewalk, located five (5) feet from, and parallel to, the curb, across the entire frontage of each residential lot (and, in the case of corner lots, a sidewalk shall also be similarly laid parallel to the respective side street). Such sidewalks shall be constructed in conformity with the then existing ordinances, standards and codes promulgated by the City of Plano.

22. Validity. Violation or failure to comply with these covenants and restrictions shall not affect the validity of any mortgage, bona fide lien or other similar security instrument which may be then existing on any residential lot in the Hunters Glen Estates VII Addition. Invalidation of any one of these covenants and restrictions, or any portion thereof, by a judgment or court order shall not affect any of the other provisions or covenants herein contained, which shall remain in full force and effect. In the event any portion of these covenants and restrictions conflicts with mandatory provisions of any ordinance or regulation promulgated by the City of Plano, then such municipal requirements shall control. Any deed or legal instrument (except deeds of trust, mortgages, or other similar security agreements) purporting to convey, transfer or assign any interest in any land within the Hunters Glen Estates VII Addition shall contain appropriate language to expressly subject the land within such conveyance, transfer or assignment to all the covenants and restrictions set forth herein. Any restrictions contained herein shall not be intended to restrict or prohibit, and shall not restrict or prohibit, the State of Texas or any political subdivision thereof, including the City of Plano and the Plano Independent School District, from using any of the property affected hereby for public purposes, regardless of the nature of said use. Words of any gender used herein shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, and vice versa, unless the context requires otherwise. The captions used in connection with paragraphs herein are for convenience only and shall not be deemed to construe or limit the meaning of the language herein.

23. Amendments. At any time, the owners of the legal title to seventy percent (70%) of the lots within the subdivision (as shown by the records of Collin County, Texas) may amend the covenants, conditions and restrictions set forth herein by filing an instrument containing such amendment in the Office of the County Clerk of Collin County, Texas, except that, prior to the time when Developer shall own no lots within the subdivision, no such amendment shall be valid or effective without the joinder of Developer, or its successors or assigns.

WITNESS the Developer's execution this 6th day of June, 1983.
